Myanmar Citizens Bank Ltd (MCB) signs MOU with Fortress Data Services (FDS)

1. Myanmar Citizens Bank (MCB) and Fortress Data Services (FDS), a leading technology-based services provider of banking applications for banks, and other financial institution, signed MOU at MCB's Meeting Hall in Yangon on 21st November, 2018 with the aim of enhancing Digital Banking Services to international standards.
2. FDS is a company headquartered in Jakarta, Indonesia working with banks to digitalize their operations and banking services. The digitalization services will help banks deliver a new financial services experience to their customers. FDS has over 20 years' experience of providing Software as a Service (SaaS) to Indonesian and international banks.
3. MCB is currently expanding banking network by keeping the momentum in high performance with the changes in technology, and aiming to provide customers with better services of Digital Banking System for their convenience and satisfaction, with anywhere and anytime banking services, in the future.
