

Announcement on Launching Ceremony of Thi PP Lar Mobile Application

The Board of Directors of TMH Telecom Public Co., Ltd. announces that, apart from traditional Telecom Business, we have been trying to break in to Mobile Application Market since 2018. Among a mass of application scenarios, we chose the scenarios which are very close with people's daily life: up to date promotion information one stop inquiry platform. In the beginning, we will focus on promotion information in two cities, Yangon and Mandalay. We will expand to other places later on.

We cooperate with MPT under revenue share base and only MPT user would be able to subscribe our service. According to the contract agreement, THM and TMH's Partners Alinntaika Co., Ltd. and DaoLei Co., Ltd. will share the income with certain ratio on this subscription fees.

We believe that it is a great move forward of our company to seek opportunities in Mobile Application Market.

On behalf of the Board,

Thiha Lwin

Managing Director
