Company History	1992 - FMI's Executive Chairman, U Theim Wai @ Serge Pun, and a group of local entrepreneurs established FMI. FMI was one of the earliest public companies formed		

following the adoption of the market economy and the promulgation of the Myanmar Investment Laws in the early 1990s. The initial public offering of FMI's shares in 1992 was fully subscribed as a result of strong investor interest for professional investment management and sound diversity.

1993 - FMI was a founding shareholder in Yoma Bank. Also in 1993 FMI made its initial investment in what was called FMI Centre in downtown Yangon. FMI Centre was the first international standard office tower in Yangon and has become a landmark in the city.

1995 - FMI's joint venture, FMI Garden Development, began undertaking the development of FMI City - the first gated housing community in Myanmar. FMI City saw a rapid take-up of houses from the onset, with buyers eager to purchase homes in an integrated community with a full range of amenities.

1996 – 2009 - FMI continued to expand its existing businesses while also investing in several companies involved in the production and sale of automobiles for the domestic market. During this period FMI made an investment in Pun Hlaing Hospital, the first ISO-certified hospital in Myanmar. The hospital opened its doors in 2005.

2010 - FMI invested in Thanlyin Estate Development, the developer of the STAR CITY project, which allowed it to participate in one of Yangon's largest residential housing projects to date.

2012 - FMI invested in FMI Air as its first foray into the aviation sector. Since 2012 FMI has made additional investments in the retail and tourism sectors.

2014 – 2015 - FMI completed a restructuring initiative that has seen it focus on its core strengths in the financial services, real estate and healthcare sectors.

2016 - FMI listed on the Yangon Stock Exchange.

2016 - Yoma Central project started.

2017 - FMIDecaux, a joint venture between FMI and JCDecaux entered into an agreement with YCDC as the exclusive operator of street furniture items and advertisements in Yangon.

2018 - FMI continued to expand its investments in the Tourism sector by listing Memories Group, the tourism arm of FMI and now its fourth focus sector, on the Catalist Board of Singapore Stock Exchange.

2019 - In the real estate sector, FMI launched a new modern affordable housing project called "CityLoft" in StarCity and in tourism sector, FMI launched 4 new hotels across the country which are designed to cater for visitors with different lifestyles.

In November 2019, FMI forged a landmark partnership with Philippines' leading conglomerate, Ayala Corporation which allows Ayala to invest USD 82.5 millions for a 20% stake in FMI.

2020 – FMI completed a series of corporate exercises for Yoma Bank, which leads to increment of FMI shareholdings in Yoma Bank to 61.99% and partnering with IFC, GIC and Norfund as strategic investors in Yoma Bank.

2023 – In the real estate sector, FMI launched a new modern affordable housing Project known as “CityLoft West” in Hlaing Township and following that, introduced the development of eco-friendly affordable townhouses under the name “Estella” in StarCity.
