INDEPENDENT AUDITOR'S REPORT

TO THE SHAREHOLDERS OF EVER FLOW RIVER GROUP PUBLIC COMPANY LIMITED

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the financial statements of **EVER FLOW RIVER GROUP PUBLIC COMPANY LIMITED** (the Company), which comprise the consolidated statement of financial position as at March 31, 2026, and the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the financial year ended March 31, 2026, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements give a true and fair view of the financial position of the Company as at March 31, 2026, and its financial performance and its cash flows for the years ended March 31, 2026 then ended in accordance with Myanmar Financial Reporting Standards (MFRSs).

Basis for Opinion

We conducted our audit in accordance with Myanmar Standards on Auditing (MSAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Myanmar, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the Report of the Directors set out on Page 1 to 3. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appear to be materially misstated. If, based on the work we have performed, we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with MFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with MSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. We are also required to report, in accordance with Section 280, Sub-section (a)(b) of the Myanmar Companies' Law, to the members of the Company, on the financial statements examined by us.

As part of an audit in accordance with MSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to

events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In accordance with the provisions of the Myanmar Companies Law, we report that:

- (i) we have obtained all the information and explanations we have required; and
- (ii) the financial records have been maintained by the Company as required by Section 258 of the Law.

On an acquisition-by-acquisition basis, the Group recognizes any non-controlling interest in the acquire at the date of acquisition either at fair value or at the non-controlling interest's proportionate share of acquiree's identifiable net assets.

The excess of (a) the consolidation transfers the amount of any non-controlling interest in the acquire and the acquisition date fair value of any previous equity interest in the acquire over the (b) fair value of the identifiable net assets acquired is recorded as goodwill.

(iii) Disposals

When the change in the Group's ownership interest in a subsidiary result in a loss of control over the subsidiary, the assets and liabilities of the subsidiary including any goodwill are de-recognized.

Any retained equity interest in the equity is re-measured at fair value. The difference between the carrying amount of the retained interest at the date when control is lost and its fair value of recognized in Profit and Loss.

(b) Transactions with Non-Controlling Interests

Changes in the Group's ownership interest in a subsidiary that do not result in a loss of control over the subsidiary is accounted for as transactions with equity owners of the Company. Any difference between the change in the carrying amounts of the non-controlling interest and the fair value of the consideration paid or received is recognized within equity attributable to the equity holders of the company.

(c) Associated Companies

Associated companies are entities over which the Group has significant influence, but not control, generally accompanied by a shareholding giving rise to voting rights of 20% and above but not exceeding 50%.

Investments in associated companies are accounted for in the Consolidated Financial Statements using the equity method of accounting less impairment losses, if any.

(i) Acquisitions

Investments in associated companies are initially recognized at cost. The cost of an acquisition is measured at the fair value of the assets given, equity instruments issued or liabilities incurred or assumed at the date of exchange, plus costs directly attributable to the acquisition.

(ii) Equity Accounting Method

Under the equity method of accounting, the investments are initially recognized at cost and recognized Group's share of its associated companies' profits or losses of the investee in profit or loss and its share of movements in other comprehensive income of the investee's other comprehensive income. Dividend received or receivable from the associated companies are recognized as a reduction of the carrying amount of the investments.

(iii) Disposals

Investments in associated companies are derecognized when the Group loses significant influence.

2.4 Currency Translation

(a) Functional Currency

Functional currency is the currency of the primary economic environment in which an entity operates. The financial statement of the Company is measured using the respective functional currency of **Ever Flow River Group Public Company Limited is Myanmar Kyat.**

In the case of presenting in Myanmar Kyat, which is the functional currency of the Company, transactions in foreign currencies are translated into the functional currency at the rate of exchange ruling at the dates of the transactions.

(b) Transactions in Foreign Currency

Monetary items denominated in foreign currencies at the balance sheet are translated at the foreign exchange rates ruling at that date.

Non-monetary items which are measured in terms of historical costs denominated in foreign currencies are translated at the foreign exchange rate ruling at that date of transaction.

(c) Exchange Rate Differences

Exchange differences arising on the settlement of monetary items and the transactions of monetary items are included in the income statement for the year. When a gain or loss on a non-monetary item is recognized directly in income statement, any corresponding exchange gain or loss is recognized directly in income statement. When a gain or loss on a non-monetary item is recognized in the income statement, any corresponding exchange gain or loss is recognized in income statement.

2.5 Income Taxes

Income tax expense represents the sum of the tax currently payable.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit as reported in the statement of profit or loss and other comprehensive income because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are not taxable or tax deductible. The Company's liability for current tax is calculated using tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current tax is recognized as an expense or income in profit or loss.

2.6 Trade and Other Receivables

Trade and other receivables are initially recognized at fair value plus transaction cost and subsequently carried at amortized cost using the effective interest method, less accumulated impairment losses.

The company assesses at each statement of financial position data whether there is objective evidence that these financial assets are impaired and recognizes an allowance for impairment when such evidence exists. Significant financial difficulties of the debtor, probability that enter bankruptcy and default or delay significant delay in payments are objective evidence that these financial assets are impaired. The carrying amount of these assets is reduce through the use of an impairment allowance account which is calculated as the difference between the carrying amount and the present value of estimated future cash flows discount at the original effective interest rate.

2.7 Property, Plant and Equipment

Land and buildings are initially recognized at cost. Freehold land is subsequently carried at the revalued amount less accumulated impairment losses. Building and leasehold land are subsequently carried at the revalued amounts less accumulated depreciation and accumulated impairment losses.

Other Property and equipment are stated at cost less accumulated depreciation. Depreciation is calculated the straight-line method over the estimated useful lives of the assets. Depreciation on assets is calculated beginning from the date on which the asset has been acquired. The rates as fixed by Management. Freehold land is not depreciated. Depreciation rate are as follows:

Furniture and Fittings	5 - 10 years
Computer and IT Equipment	5 - 10 years
Motor Vehicle	5 - 10 years
Plant and Machinery	5 - 10 years
Building Renovation	5 - 10 years

Subsequent maintenance expenditure relating to property, plant and equipment that has already been recognized is added to the carrying amount of the assets only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repair expenses are recognized in profit or loss when incurred.

Disposal of an item of property, plant and equipment, the difference between the disposal proceeds and it's carrying amount is recognized in profit or loss within 'other gains and losses'.

2.8 Intangible Assets

(a) Goodwill

Goodwill on subsidiaries is recognized separately as intangible assets and carried at cost less accumulated impairment losses. Goodwill on associated companies and joint ventures is included in the carrying amount of the investments. Gains and losses on the disposal of subsidiaries, joint ventures and associated companies include the carrying amount of goodwill relating to the entity sold.

(b) Other Intangible Assets

Intangible assets are initially measured at cost and carried at cost less accumulated amortization and impairment losses.

2.9 Impairment of Non-Financial Assets

Property, plant and equipment are reviewed for impairment whenever there is any indication to do so. If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. The difference between the amount and recoverable amount is recognized as an impairment loss in the statement of comprehensive income.

2.10 Investment in Subsidiaries and Associated Companies

Investments in subsidiaries are recognized at cost less accumulated impairment losses in the Company's statement of financial position.

Investment in associates is initially recognized at cost under the equity method and the carrying amount is increased or decreased to recognize the investor's share of the profit or loss of the investee after the date of acquisition.

2.11 Cash and Cash Equivalent

For the purpose of presentation in the cash flow statement, cash and cash equivalents include cash in hand, bank balance, bank overdraft, deposits with financial institutions which are subject to an insignificant risk of change in value.

2.12 Provisions

Provisions for other liabilities and charges are recognized when the company has a legal or constructive obligation as a result of events, it is more likely than not that an outflow of resources will be required to settle the obligation, and a reliable estimate of the amount can be made.

2.13 Trade and Other Payables

Payables are initially measured at fair value, and subsequently carried at amortized cost, using the effective interest method.

2.14 Related Parties and Related Parties Transactions

Related parties are persons or entities that are related to the entity that is preparing its financial statements. A person has control or joint control over the reporting entity has significant influence over the reporting entity is a member of the key management personnel of the reporting entity or of a parent of the reporting entity. A related party transaction is a transfer of resources, services, or obligations between related parties. Key management personnel are those persons having authority and responsibility for planning, directing, and controlling the activities of the entity, directly or indirectly, including any directors of the entity.

26. Reclassification of Investment in Eravati Myanmar Company Limited to Account Receivable

1. Background and Nature of the Transaction

During the year ended 31 March 2026, the Group restructured its investment arrangement relating to **Eravati Myanmar Company Limited**, which was previously held indirectly through **Ever Flow River Trading Company Limited**.

As part of the restructuring, the Group ceased its equity investment in the sub-subsidiary, and the carrying amount of the investment was reclassified into an **Account Receivable**, representing a contractual right to receive fixed and determinable payments from the counterparty.

2. Impact on Consolidation

Following the reclassification:

- The Group no longer holds an equity interest in the sub-subsidiary.
- The sub-subsidiary was **deconsolidated** from the Group's consolidated financial statements as of the effective date of the transaction.
- The recognized account receivable represents a financial asset of the Group and is not eliminated on consolidation.

3. Management Judgment

Management exercised judgment in determining:

- The appropriate classification of the account receivable under IFRS 9, and
- The fair value of the receivable at initial recognition.

Management concluded that the reclassification reflects the substance of the transaction and is consistent with the applicable IFRS requirements.

27. Subsequent events

The Company performed a review of events subsequent to the balance sheet date through the date the financial statements were issued and determined that there were no such events requiring recognition or disclosure in the financial statements.
