Market Overview and Analysis in the 2nd Quarter of FY 2026–2027

- During the second quarter of 2026 (July–September), the Yangon Stock Exchange (YSX) experienced a slight decline in share prices compared with the previous quarter, while the total trading value increased, reflecting improved trading activity in the market.
- Among the listed companies, Ever Flow River Group Public Co., Ltd. (EFR) and G.B.S Agricultural Services Public Co., Ltd. (ASPGB) recorded the highest trading values, highlighting continued investor interest in their shares.
- In particular, Ever Flow River Group Public Co., Ltd. (EFR) shares recorded block trades worth more than 3 billion MMK in August. This significant trading activity indicates increased market participation and may reflect growing investor confidence in the company.
- Furthermore, among the Register companies, G.B.S Agricultural Services Public Co., Ltd. (ASPGB) implemented a corporate action involving a share split. Although its share price gradually declined following the share split, its trading value increased substantially. Trading value rose from more than (489 million) MMK in the first quarter to approximately (4,320 million) MMK in the second quarter, demonstrating a significant increase in trading activity. This development reflects heightened investor participation and suggests a positive market response to the company's corporate action.

Opening of YSX Online Basic Stock Investment Training Course (002/2026)

YSX Tour Programs for Educational Training Institutes

From July to September 2026, study groups from several private educational institutions visited the Yangon Stock Exchange (YSX). The visiting groups included 30 students from Chindwin Technological College, 61 students from Strategy First International College, 53 students from Nay Lin Aung Finance & Accountancy Academy, and 51 students from DBU International College. In addition, Nay Lin Aung Finance & Accountancy Academy organized further study visits with 43 students on September 2, 48 students on September 3, and 20 students on September 9. During these visits, U Min Thu, Chief Operating Officer of the Yangon Stock Exchange, delivered a presentation entitled "Overview of the Capital Market." He shared knowledge about the capital market and explained how stock trading is conducted. YSX continues to welcome study visits from universities and private educational institutions. Institutions interested in arranging a study visit can contact YSX during office hours at 01-371274 for further information.

Attending to "The 2026 China-ASEAN Financial Cooperation and Development Forum"

One representative from the Yangon Stock Exchange attended "the 2026 China–ASEAN Financial Cooperation and Development Forum", held in Nanning, Guangxi, China, from 15 to 19 September 2026. Under the theme "AI Empowering Financial Cooperation and AI Supporting Security Governance," the forum facilitated exchanges on strengthening China–ASEAN financial cooperation, particularly in AI applications in financial services, cross-border payments, local currency cooperation, financial innovation, and financial security.
